

**In the Title:**

Please make the following changes in the title:

**Multicomponent Packaging with System for Separately Storing**  
**Components including a Static Micromixer for Mixing the Components and**  
**Method of Preparation of a Mixture using Same**

**In the Specification:**

Please make the following changes at the locations in the specification indicated by page and line number:

Page 1, between line 2 and 3, please insert the following headings:

**BACKGROUND OF THE INVENTION****1. The Field of the Invention**

Page 1, in the paragraph between lines 3 and 6:

The subject matter object of the invention is a packaging system with at least two separate storage chambers for in-situ preparations of formulations with at least two constituents that must be kept separated until they are used and with an integrated static micromixer with special disk-shaped mixer components. It also includes a method for in-situ preparation of these formulates using the packaging system.
